CONSTITUTION OF APOLLO CAREER COUNSELING CELL (ACCC), TAU

Apollo Career Counseling Cell (ACCC) aims to provide assistance and advice to students to make them better informed so that they can become architects in building their own future. It helps the students realize their strengths and weaknesses by instilling self awareness, decision making skills, planning skills, personality development etc. It helps students to choose the right career path based on their educational and professional choices.

Preamble:

The ACCC functions with the objective of Providing guidance and assistance, if required on individual basis, for the students to achieve their career goals. It should provide awareness on higher Education, placements and entrepreneurship opportunities . It works under the guidance of the team of learned and experienced faculty members. It guides each needy student so as to make important career decisions before leaving his student life .

Vision

The vision of the Apollo Career Counseling Cell (ACCC), TAU is to nurture and inspire the young minds of TAU to reach and perform their full potential, create a positive impact and become noble citizens of the nation.

Objectives

1. To help students share knowledge about themselves by identifying skills, and interests.
2. To provide information about further course prerequisites, financial aid, academic planning, entrance examinations etc.
3. To promote career guidance & counseling through lectures by senior corporate executives and visiting professors.
4. To organize seminars on interview skills, personality development, communication skills, leadership skills, resume writing, analytical skills, quantitative ability, verbal and reasoning skills essential to all competitive exams.
5. To encouraging students to sharpen their skills and make them 'Industry Ready.'
6. To organize education fairs
