### **Subject: Participation in Sustainable Institutions of India (SII) Green Rankings 2025**

Dear Colleagues,

We are pleased to inform you that Apollo Knowledge City proposes to participate in the prestigious **Sustainable Institutions of India (SII) Green Rankings 2025**, which assesses the sustainability efforts of Higher Education Institutions (HEIs) across India. This ranking, focused on Environmental (Planet), Social (People), and Economic (Profit) sustainability, is an important initiative that promotes responsible and sustainable practices within educational institutions.

### **About the SII Green Ranking 2025**

**The SII Green Rankings** have become a benchmark in acknowledging institutions that have demonstrated extraordinary efforts in embracing sustainability and environmental stewardship. Recognized as one of the most prestigious and trusted private rankings in the realm of sustainable education and institutional excellence, the SII Green Rankings assess institutions based on critical parameters such as energy conservation, resource utilization, research outcomes, and public perception of sustainability.

I request you to provide the data in the format prescribed in the enclosed handbook on or before February 15, 2025 to Dr Feroz Begum ([ferozbegum\\_s@apollouniversity.edu.in](mailto:ferozbegum_s@apollouniversity.edu.in)) so as to enable us to register before the deadline.
