

BSI Team Visited TAU for ISO 21001:2018 Final Audit

The Apollo University successfully completed the ISO 21001:2018 Final Audit on 8th and 9th May 2025, conducted by two auditors from the British Standards Institution (BSI). Guided by Dr. Prabakar K, Distinguished Professor, and coordinated by the Directorate of IQAC under Dr. D. Jagadeesan, the audit covered various academic and support units across the campus.

The audit team congratulated the university's structured, student-centered approach, the standard operating processes and acknowledged its strengths in academic planning, student engagement, and quality service delivery.

The Apollo University NSS Units Celebrate Campus Workers on International Workers' Day

On May 1, 2025, NSS Units I & II of The Apollo University organized an awareness programme at the Dr. Prathap C Reddy Knowledge Centre to honor campus support staff. Inaugurated by Registrar Prof. M. Potharaju, the event emphasized the importance of safe, respectful workplaces and the dignity of all workers.

The programme featured safety demos, student presentations from the Schools of Health Sciences and Technology, and an engaging quiz. The event was led by the NSS Programme Officer, Dr S. Hemadri Reddy Salla and NSS Coordinators, Dr. Shaik Jakeer, faculty, SoT and Ms. A. Gayathri, faculty AHS.

Workshops: ACoN has organized a one-day workshop titled Creative Poster Design for Effective Health Education on May 2, 2025, for nursing faculty from Chittoor and Aragonda. Inaugurated by Prof. M. Potharaju, Registrar, TAU, the workshop highlighted the importance of combining creativity with clear messaging in health communication. Sessions led by Dr. Mahendranath Chowdary focused on poster design, color psychology, and audience engagement through interactive activities.

Student Achievement

ACoN has conducted a two-day Training of Trainers (TOT) workshop on Prevention of Sexual Harassment (POSH), focusing on the POSH Act, 2013. The workshop aimed to raise awareness about key provisions of the Act, promote a safe and inclusive workplace culture, and build internal capacity by preparing participants to become certified POSH trainers.

Ms. E. Janya Sri, a student of SoT, TAU has secured 1st Place in the Paper Presentation event at the National Level Technical Symposium titled "GMOCS-2K25", organized by the Department of Computer Science & Engineering, Madanapalle Institute of Technology & Science in association with the Computer Society of India (CSI), held on 30th April 2025.

Guiding the Future: Career Session for Employees' Children at The Apollo University

The Apollo University, Chittoor, held a career guidance session on May 28, 2025, for the children of support and non-teaching staff. Organized by the Career Counselling Cell, the session welcomed 40 students and aimed to help them explore academic and career options. Vice Chancellor Dr. H. Vinod Bhat encouraged students to aim high, while Registrar Prof. M. Potharaju reaffirmed the University's support. Led by Dr. Ramaiah Itumalla and Mr. Ramesh Kumar, the session offered valuable insights, and engaged students in identifying potential career paths.

ACoN Joins with Yogandhra as part of International Yoga Day Celebrations

On May 30, 2025, Apollo College of Nursing, Chittoor, actively took part in "Yogandhra"—the 11th International Yoga Day celebrations held at the Police Grounds, opposite RTO Office, Chittoor. NSS volunteers from Semester 1 and 3 participated with great enthusiasm, joining hundreds of yoga enthusiasts to highlight the significance of physical, mental, and spiritual well-being.

ISO Stage I Audit for 21001:2018: ACON has successfully completed the 1st stage of the ISO 21001: 2018 stage1 online audit. The process was efficiently coordinated by Dr. Jinto Mathew, Quality Manager and Vice Principal of the college.

Observation Day: Apollo College of Nursing, Chittoor celebrated International Nurses Day on May 12, 2025, in the college auditorium to honor the vital role of nurses in healthcare and society. Dr. T. Jayanthi, Principal, delivered a special address highlighting Florence Nightingale's legacy and contributions.
