

International Women’s Day Celebrations 2026

AKC marked International Women’s Day 2026 with a vibrant week-long celebration from March 4 to 9 under the theme “Give to Gain: Committed to Forging Gender Equality.” Key highlights included the release of the Student Safety Report, a Women’s Rights and Safety Awareness Programme featuring expert talks, and the launch of the Campus Ambassadors initiative to promote peer support and leadership. Creative engagement was seen through drawing and reel-making competitions centered on gender equality, while a spirited walkathon and campus rally spread awareness across the institution. The celebrations concluded with a valedictory programme recognizing winners, honouring ambassadors along with cultural performances.

Prominent International Visit

Prof. Thompson Robinson, Pro VC of University of Leicester, visited TAU on March 14, 2026, to strengthen the ongoing international academic partnership. During the visit, he held discussions with university leadership, faculty, and students to review the progress of the 2+1 international transfer programme and explore future collaborations in academics, research, and digital health.

Freshers Day and College Day

On March 13, 2026, ACoN hosted Freshers Day and College Day, welcoming new students and celebrating achievements. The event included speeches, prize distribution, freshers’ activities, and vibrant cultural performances by students. The celebration created a lively platform to welcome new students and celebrated the academic and co-curricular achievements.

Workshops and Training

Training and Placements organized a two-day **workshop** “Your Story, Your Voice” on March 9–10, 2026, focusing on communication skills and career readiness. The workshop led by Vidya Suresh, Head of the South Asia Office at ESIGELEC, equipped students with skills in resume building, interview preparation, and professional communication through interactive sessions.

Academic Affairs and HR organized a **Faculty Development Workshop** on “Large and Small Group Teaching Strategies” on March 10. The sessions were handled by expert insights from AIMSAR, Dr. Sachidananda Adiga, Professor & Head, Pharmacology, and Dr. Jyoti Brahmayya, Associate Professor of Pathology, focusing on effective teaching methods, with active participation from faculty across departments.

Student Achievements: Students from MBA (Hospital and Healthcare Management) SoM, participated in “Parivarthan 2.0 – A National Level Management Meet” at Sri Venkateswara College of Engineering and Technology on March 30. Students showcased their skills in various competitions, with K.N.V. Pramodini securing Runner-Up in Paper Presentation and Umme Kulsum reaching the finals in the Young Manager event.

Emergency & Trauma Center Opened at DHH

The Emergency Room & Trauma Care Center was inaugurated on March 9, 2026 at DHH, AIMSAR. The event was graced by Mandipalli Ramprasad Reddy, Honorable Minister of Transport, AP, along with distinguished dignitaries including Daggumalla Prasad Rao, MP, Gurajal Jagan Mohan, MLA, Chittoor, Kalikiri Murali Mohan, MLA, Putalapattu Division and Sumit Kumar, Collector. The facility marks a significant milestone in strengthening critical care infrastructure and enhancing life-saving emergency services in the region.

State-Level Workshop on Neonatal Resuscitation

ACoN organized a State-Level Workshop on “Basic Neonatal Resuscitation Program” on March 30, 2026, followed by “NRP Training of Trainers” on 31st. Workshop included expert-led scientific sessions and hands-on training in neonatal emergency care, with 32 participants including faculty and PG nursing students from various institutions. The inaugural session was graced by Dr. H. Vinod Bhat, VC, TAU Dr. Rajesh (Resource Person), and K. N. Satyanarayana Bai, observer, APNMC. The second day included advanced demonstrations and trainer orientation by Dr. Rajesh, Prof. & Head, Dept of Pediatrics, AIMSAR along with practical skill sessions and guidance on conducting NRP training programmes.

Mental Health & Well-being Workshop at AIMSAR

AIMSAR conducted a one-day EASE-AP Training Programme on Mental Health and Well-being on March 25, 2026, in collaboration with QPR India and Suicide Prevention India Foundation. Led by Mr. Nelson Moses, Founder and CEO of QPR India the programme included sessions on mental health basics, emotional first aid, stress management, active listening, and suicide prevention.

Awareness Days

AIMSAR organised **Down Syndrome Awareness Day 2026** along with a Clinical Cytogenetics Workshop on March 26. The event was graced by Dr. H. Vinod Bhat, VC, TAU as the Chief Guest. Dr. Subhadra Devi Velichetty, Former Professor and HOD, Dept. of Anatomy, AIMSAR delivered an insightful session on Down Syndrome and released a Parent Guide for families and caregivers, while Dr. M. Jeevan Kumar, AD, ACAF led the workshop, making the programme informative and impactful.

ACoN observed **World TB Day on March 24**, at ZP Hall, Chittoor, with awareness programs and a rally, in the presence of dignitaries including Adharsh Rajeendran, Joint Collector, Dr. Sai Sharmila, DMHO, and P. Ravi Raju, DIO, along with active participation from students of various institutions.

Division of AHS celebrated **World Optometry Day** on March 25, highlighting advancements in eye care and future initiatives. The event featured a keynote by Dr. Kumar Amruth, Head of Ophthalmology, AIMSAR, along with student activities, poster presentations, and the felicitation of outstanding achievers.
